

The Art Institute of California – San Francisco
Sharon Kaitner, M.Ed.

MM4403 Senior Project Development

Assignment #1 – Due Week 2, at the beginning of class

Create a web page for your final project and email me your url. Include a definition of your target audience, your project objectives, current need for the project as it relates to interactive media design, and its value to society. Properly cite your sources. Due next week.

To be turned in:

- Submit a link to your and post online.
- Bring your work to class Week 2.

Goals for students: to develop research skills as they apply to developing multimedia projects.
